

DOG

The Hendricks County 4-H dog project and mission is to provide workshops and training sessions to teach members about care and training of their dog. Obedience is our main focus and a priority above any of the other disciplines offered in the project. Showmanship is highly recommended because of its added benefits to the obedience program. Agility and Drill team disciplines are options within the project when available.

Head halters are useful trainings tools, and are acceptable in the 4-H training program. Prong or pinch collars may only be used IF recommended by the training staff. However, the head halter and pinch/prong collar is not acceptable show equipment.

Exposing cleavage, bare midriff, buttocks, or undergarments is inappropriate and will be penalized. Torn, tattered, dirty clothing, excessively baggy or tight clothing, overalls, hats, head cover, and sunglasses are all inappropriate clothing. No short shorts or short skirts are allowed. Smooth soled boots, high heels, backless slip-ons, loose fitting shoes, floppy sandals or other unsafe footwear are not appropriate attire. Closed toed Athletic shoes are highly recommended in all disciplines to avoid penalties. Refer to Drill Team and Showmanship Terms and Conditions for attire regulations specific to those events. Clothing with commercial advertisements or insignia (except the 4-H clover) is prohibited, except for 4-H dog being raised for the handicapped.

JUDGING PROCEDURES

Please refer to the 4-H dog Website (www.four-h.purdue.edu/dog) for current score sheets.

Whenever possible, all obedience classes will be judged through a progression of rings, with the same judge passing inspection on a particular exercise for all participants. For example, the same judge will evaluate "heel-on-leash" for all of the dogs in the same class, while another judge will evaluate "stand for examination." On rare occasions, substitute judges may be called upon to supplement show needs.

NOTE: to reduce scent conflict, the order of the dog show for Classes 4 through 6 will be in reverse order (i.e. 6-5-4 classes). Classes will start at the scheduled time, facilities permitting. Judges will not wait on any exhibitor. If a 4-H member is not present when their arm band number is scheduled to go into the ring, their number will be placed at the bottom of the list. Tie scores in obedience classes will be broken as follows: a) scores will be compared for each area of the obedience competition, beginning with the first exercise on the score sheet and proceeding down the sheet through the successive exercises; b) if the scores are tied in each exercise, the first exercise on the score sheet will be repeated in its entirety, in order to determine a winner. When comparing score sheets to break a tie, the first error on the score sheet will receive the lower award. A dog fouling in the ring will receive an automatic ten (10) point dock in score. The high jump will be set at the same height as the 4-H dog measures at the withers rounded to the nearest multiple of two (2) inches.

Minimum height is four (4) inches and the maximum height is 36 inches. (All dogs less than 7.5 inches must jump the four (4) inch minimum.) The broad jump distance will be twice the high jump height. Note: This rule is effective as of this document's revision date. Always be sure to check the current AKC obedience regulations. Obedience regulations not covered by these terms and conditions will be based on the regulations of the American Kennel Club, Inc. In the event of a tie for Grand Champion and /or Reserve Grand Champion Awards in all of the disciplines: the 4-H'er in the more advanced class will receive the higher award. Scores should be considered first, then class level not times unless they are in the same class level.

Indiana 4-H Aggressive Dog Policy

The safety and well-being of 4-H members and volunteers is a primary concern with all Indiana 4-H Program opportunities. Families should err on the side of caution in selecting a dog for the 4-H member to exhibit. A dog that has a known history of aggression or biting is not appropriate for involvement in the 4-H Program. On occasion, the 4-H member may have difficulty managing their dog within the 4-H Program. The following guidance has been provided for the Indiana 4-H Dog Program as the owner/exhibitor of the dog bears responsibility for the dog's actions. In the subsequent policy, the term "4-H Dog Personnel" will include County 4-H Volunteers, County Extension Educators, State 4-H Staff and appropriate County and State Fair Directors.

A dog that bites a human or another dog at any 4-H Dog Event must be immediately removed from that event by the 4-H member and will subsequently be excused from the 4-H Program. The member should be directed by 4-H Dog Personnel on-site to remove the dog if the member does not do so willingly. If a determination is made by the 4-H Dog Personnel that a dog bit in self-defense, it may be allowed to remain at the 4-H Dog Event. Dogs that display other signs of aggression, including but not limited to barking and standing ground, growling, lunging and snapping will be given one verbal warning. They will be removed from the event after the second violation at the same event. To be removed from a 4-H Dog Event, there must be two violations at the same event.

Any dog that is removed from a 4-H Dog Event due to aggressive behavior will be placed on probation for 2 weeks. Written notification of the probation will be given to the 4-H member. The 2-week period will start upon written notification to the 4-H member. While on probation, the 4-H Dog Personnel and the 4-H member and parents will work together to determine the best course of action for the dog. This may include (but is not limited to) working individually with the dog and 4-H member, asking the 4-H member to use a different dog or having the 4-H member attend events without their dog. At the end of the designated probation period, 4-H Dog Personnel will make a determination regarding the dog's return to 4-H Dog Events.

Dogs that are removed from a 4-H Dog Event twice will be immediately excused from the 4-H program and will not be allowed to re-enter. Excusing a dog from the 4-H Program is rare but could be necessary for the safety of 4-H members, volunteers and other participating dogs. Should a dog be excused from the program, it must be remembered that the action is against the dog and not the 4-H member. 4-H Dog Personnel should look at many solutions and encourage the 4-H member to attend classes without their dog while training it at home or potentially bringing another dog to 4-H events. 4-H members will always be welcome in every other part of the dog project.

In the event that a dog is removed from a 4-H Dog Event or excused from the 4-H Program, 4-H Dog Personnel should report such to the State 4-H Office so that the information is available to all county 4-H dog programs and the Indiana State Fair
